Harvard University
TSCA Export Notification Form

Exporter Instructions:

1. Refer to EPA's Chemical on Reporting Rule (CORR) database on EH&S Website.
2. If chemicals are listed in the CORR database, complete this TSCA Export Notification Form and submit it to the EPA. Ensure that appropriate box is checked off indicating which Section of TSCA(4,5,6,7) is listed in the CORR database for the chemical to be exported. This notice must be postmarked within seven days after accepting a definite contractual obligation or reaching a final decision to export. Where the actual export occurs less than seven days after the export obligation or agreement has been executed, the notice must be submitted to EPA no later than the same day as the export.
3. If the chemicals are NOT listed in the CORR database, an export notification is not required.
4. Maintain copies of all export notification for 3 years after shipment.
