

## FOOD WASTE for COMPOSTING

Food scraps and non-recyclable paper waste can be recycled into compost! This keeps waste out of the landfill and out of the sewage bound for Boston Harbor. Please put **ORGANIC WASTE ONLY** into the labeled barrels. Harvard's food waste is picked up by Herb's Disposal for composting into topsoil amendment. Please put in no plastic, glass or metal! This means no plastic bags, no cups, no straws, no spoons, or any other plastic.

**THANK YOU FOR COMPOSTING!**
